

Digital Citizenship and Safety Education

Each Building Administrator will ensure that District students are educated on network etiquette and appropriate online behavior, including cyber-bullying awareness, digital citizenship, and online safety. Instruction will be given to students at the secondary level as appropriate to the educational and developmental needs of students.

The Superintendent will ensure that teachers, administrators and other staff members responsible for supervising students' internet use receive professional development, training, and resources in the following areas:

1. Monitoring of student online activities.
2. Instruction of students in proper network etiquette.
3. Instruction of students in discerning among online information sources and appropriate materials.
4. Bullying and cyber-bullying awareness and response, in accordance with the District's bullying policy.
5. Instruction of students on appropriate interaction in social networking websites and chat rooms.
