 By: Superintendent Geoffrey M. Thomas
 Approval Date: January 21, 2010

Madison School District 321 seeks to employ and promote highly qualified and competent candidates. The District will permit employment of qualified relatives of current employees as long as the related employee does not participate in making recommendations or decisions affecting the appointment, retention, promotion, demotion, evaluation, salary or work assignments of the related employee; and that one relative does not directly supervise related employee in any manner.
