

Title I Comparability of Services

It is the policy of Madison School District #321 to ensure equivalence among schools in teachers, administrators and other staff and in the provision of curriculum materials and instructional supplies.

This is accomplished through a district-wide salary schedule, administrative procedures for the fair and equitable assignment of staff and the provision of equivalent resources to all schools.

This policy meets the compliance requirements of Section 1120A(c)(1) of the Federal No Child Left Behind Act of 2001.
