

Corrective Actions and Punishment

It is the intent of the Board to provide each student with those due process rights that are provided by law.

Suspension

In the event the proposed punishment of a student is to include denial of the right of school attendance from any single class or full schedule of classes for at least one (1) day, the following procedure shall be used:

1. Before suspension, the student shall be provided a conference during which the charges will be explained and the student will be given the opportunity to respond to the charges. Every effort shall be made to include parents/legal guardians in appropriate remediation.
2. A pre-suspension conference is not required and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. Any suspension shall be reported as soon as practicable to the student's parent or legal guardian.
4. Upon request of the parent or legal guardian, a review of the suspension shall be conducted by the Superintendent. At the review, the student and parent or legal guardian may appear and discuss the suspension with the Superintendent. After the meeting, the Superintendent shall take such action as appropriate. That action is final.
5. Students who are absent as a result of an out-of-school suspension do not have the right to make up the work missed.
6. The suspension of a student may be extended by the Superintendent and/or the Board in accordance with State law. Written notice of the extension of a suspended student will be provided to the student's parent/legal guardian.

Expulsion

A student may be expelled from school only by the Board, and only after the following due process procedures have been followed:

1. The student and parent or legal guardian shall be provided written notice of the Board hearing to consider the recommendation for expulsion, by registered or certified mail at least five (5) school days before the date scheduled for the hearing. The notice shall include the grounds for the proposed expulsion, the time and place of the hearing,

information describing the process to be used to conduct the hearing, including the rights of the student to be represented by counsel, to produce witnesses and submit documentary evidence and the right to cross-examine adult witnesses who testify against the student.

2. Within the limitation that the hearing must be conducted during the period of suspension, an expulsion hearing may be rescheduled by the parent or legal guardian by submitting a request showing good cause to the Superintendent at least two (2) school days prior to the date of the hearing as originally scheduled. The Superintendent shall determine if the request shows good cause.
3. At the hearing, the student may be represented by counsel; present witnesses and other evidence, and cross-examine adult witnesses. Formal rules of evidence are not binding on the Board.
